

# Acenra AI Data Protection and Employee Data Privacy Policy

**1. Purpose** This policy establishes the principles and guidelines for protecting personal and sensitive employee data at Acenra AI. It underscores our commitment to respecting privacy and ensuring the confidentiality, integrity, and security of all employee data.

**2. Scope** This policy applies to all employees, contractors, and third-party service providers of Acenra AI who have access to personal employee data, regardless of the medium in which that data is stored or processed (digital or paper).

## 3. Definitions

- **Personal Data:** Information relating to an identified or identifiable natural person.
- **Sensitive Data:** Personal data that reveals racial or ethnic origin, political opinions, religious beliefs, trade union membership, genetic data, biometric data, health data, or data concerning a person's sex life or sexual orientation.

## 4. Data Collection

- **Legality and Transparency:** Employee data shall be collected lawfully and transparently, with the purpose clearly defined and communicated to employees at the time of collection.
- **Minimization:** Only data necessary for effective employment management, legal compliance, or the provision of employment benefits will be collected.

## 5. Data Use

- **Purpose Limitation:** Employee data will be used only for the purposes stated at the time of collection and as necessary for employment-related responsibilities or legal requirements.
- **Data Sharing:** Data will be shared internally and externally only when necessary, under strict confidentiality agreements, and in compliance with applicable data protection laws.

## 6. Data Storage and Retention

- **Security Measures:** Data will be stored securely using industry-standard protection measures to prevent unauthorized access, alteration, or destruction.
- **Retention Period:** Employee data will be retained only for as long as necessary for the purposes for which it was collected, in accordance with legal requirements and company data retention policies.

## 7. Employee Rights

- **Access and Correction:** Employees have the right to access their personal data and request corrections or updates where the data is inaccurate or incomplete.
- **Deletion:** Employees may request the deletion of their data when it is no longer necessary for the purposes for which it was collected.
- **Objection:** Employees can object to the processing of their data in certain circumstances, such as for direct marketing purposes.

## 8. Data Security

- **Security Protocols:** Robust security measures, including encryption, access controls, and physical security, will be implemented and maintained to protect against unauthorized access or disclosure of employee data.
- **Data Breach Notification:** In the event of a data breach, affected individuals will be notified promptly in accordance with legal requirements.

## 9. Training and Awareness

- **Regular Training:** All employees handling personal data will receive training on data protection principles, the importance of data privacy, and their specific responsibilities under this policy.
- **Awareness Campaigns:** Regular awareness campaigns will be conducted to keep data protection and privacy at the forefront of corporate culture.

## 10. Monitoring and Compliance

- **Audits:** Regular audits will be conducted to ensure compliance with this policy and to address any potential data protection issues.
- **Policy Updates:** This policy will be reviewed regularly and updated as necessary to comply with changes in the law or best practices in data protection.

**Acknowledgment** All employees, contractors, and third-party service providers with access to personal data must acknowledge and agree to abide by this policy. This policy ensures that Acenra AI remains committed to protecting the personal data of its employees, respecting their privacy, and complying with applicable data protection laws and regulations.
