

Acenra AI Social Media and Internet Use Policy

1. Purpose The purpose of this policy is to establish guidelines for the appropriate use of the internet and social media platforms by employees to ensure responsible online conduct and the protection of Acenra AI's reputation and interests.
2. Scope This policy applies to all employees, contractors, and representatives of Acenra AI who access the internet or use social media on company-provided devices or personal devices during work hours.
3. Acceptable Use
 - **Professional Conduct:** Employees must use the internet and social media in a professional, ethical, and lawful manner, ensuring all communications align with Acenra AI's values and professional standards.
 - **Security Compliance:** All online activities must comply with Acenra AI's cybersecurity policies to prevent data breaches and protect sensitive company information.
4. Unacceptable Use
 - **Prohibited Content:** Employees must not post or share confidential company information, intellectual property, or any content that may harm Acenra AI's reputation. This includes, but is not limited to, offensive, discriminatory, or sexually explicit material.
 - **Personal Use:** Excessive use of social media for personal reasons during work hours that affects job performance or disrupts the workplace is prohibited.
5. Brand Representation
 - **Official Channels:** Only authorized personnel may post on behalf of Acenra AI on official company accounts. All content must be reviewed and approved through the designated internal process.
 - **Personal Accounts:** Employees who identify themselves as affiliated with Acenra AI on personal social media accounts should clarify that their views are personal and do not represent the company. The use of disclaimers such as "Opinions are my own" is recommended.
6. Monitoring and Compliance
 - **Monitoring:** Acenra AI reserves the right to monitor internet and social media usage on company-owned devices and networks. Employees should have no expectation of privacy while using company resources.
 - **Violations:** Any violation of this policy may result in disciplinary action, including but not limited to termination of employment.
7. Reporting Misuse

- **Channels for Reporting:** Employees are encouraged to report any misuse or security concerns to their supervisor or the IT department. Reports will be handled with confidentiality to the fullest extent possible.
- 8. Policy Review and Modification
 - **Regular Reviews:** This policy will be reviewed annually to ensure relevance and compliance with industry standards and evolving security risks. Updates will be implemented as needed.

Acknowledgment All employees are required to acknowledge that they have read, understood, and agreed to comply with this Social Media and Internet Use Policy.

This policy ensures that Acenra AI's internet and social media usage supports productivity, maintains security, and upholds the company's professional image.
